What's Going On Here?

The Adorers of the Blood of Christ are challenging the gas industry's 'right' to seize their land by eminent domain for a dirty, fracked gas pipeline. The Adorers carry a deep spiritual connection to the Earth as reflected in their "Land Ethic." People of good will, from all faith traditions, are warmly invited to participate in this dedication service marking this as a Site of Sacred Resistance against corporate exploitation of Creation.

Who's Organizing This?

The Chapel is being sponsored by Lancaster Against Pipelines, a 501c3 non-profit that assists Lancaster County residents who are fighting to protect their land, water, and communities against the Atlantic Sunrise Pipeline.
