HAPPY VALENTINE'S DAY!

Dear Representative _____ ,

As your constituent, I want you to know that I support the current moratorium on executions. On this third anniversary of its declaration, I urge you to do everything in your power to put a complete end to the death penalty in Pennsylvania. We must not risk executing an innocent person.

Please let me know what your position is on the government using its power to kill its own citizens. I look forward to hearing from you and to working together to put an end to this failed government policy.

Sincerely,
